

The Great Lakes Valley Conference (GLVC) is a NCAA Division II league comprised of 14 member institutions in Illinois, Indiana, Kentucky, Missouri, and Wisconsin. The league has hosted the GLVC Softball Tournament at the EastSide Centre Softball Complex in East Peoria, IL, since 2004 and will return again in 2008. This year's tournament is presented by Mizuno, Stoney Creek Inn, Altorfer Power Systems, and the Peoria Convention and Visitor's Bureau.

NCAA Division II conferences and member institutions are interested in developing community engagement initiatives. The GLVC will host a free youth softball clinic on Wednesday, April 30, 2008, in conjunction with the 2008 GLVC Softball Tournament as a means of showing our appreciation for the support our event receives in the community. The 2008 GLVC Youth Softball Clinic will take place at the EastSide Centre Softball Complex.

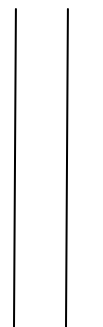

Participants will have the opportunity to meet and work with NCAA Division II student-athletes and coaches who will serve as instructors for the clinic. In addition to hitting, fielding, pitching, and base running, participants will have the opportunity to learn about the importance of sportsmanship, good nutrition, study skills, and lifestyle choices, and will also receive complimentary souvenirs, food, drink, and a pass good for free admission for all three days of the tournament.

Clinic participants and their parents/guardians will have the opportunity to meet the participants for the 2008 GLVC Softball Tournament on April 30 and then come back to watch them play May 1-3. We hope you will join us for four great days of softball at the EastSide Centre Softball Complex!
